## We make reordering easier and save you money!

### District-Focused Order Logistics

- We can receive, consolidate and deliver your orders to eliminate shortages and missing paperwork, and reduce back-orders.
- District specific logistics for receiving the materials - centrally, by building, or even by classroom.
- Delivery timing coordinated to meet your district's needs.
- Drop-ship services are available for quickest delivery.

### Superior, Responsive Authorized Service

- Prompt item quotes and availability checks.
- Regular order-status updates.
- Prompt resolution if a problem should arise.

### Budget Savings

- **FREE SHIPPING** on all district HMH supplemental and consumable curriculum orders. This can equal up to 10% of your order!
- Savings Examples: Using this program, a school district started saving \$4000 to \$6000 annually on their math consumables, and another saved \$8500 in a single year on supplemental reading materials.
