

Prepare Classrooms for **emergencies**, field trips and anytime classes are “on the go.”

Help Classrooms Be Prepared At All Times

The response of administrators and teachers in an emergency is critical to the safety of our students. However, teachers need a collection of readily accessible supplies for both emergency and non-emergency situations... **Go-Kits™**

- **Proven**
Used in schools across the country.
- **Affordable**
Can be purchased for each classroom.
- **Versatile**
Supplies for emergency & non-emergency applications.
- **Compliance**
Supports emergency preparedness plans.

More comprehensive than first aid kits, and **more transportable** than “bucket kits”, our **Backpack Go-Kits** are affordably priced and represent the **best value** for overall classroom preparedness. **See comparison chart on reverse.** Additionally, **kits can be customized** (contents & quantities) to help meet school needs and budgets. Custom imprints are available on the backpack as well.

Prepare for:

- Emergency Lockdowns
- School Evacuations
- Field Trips
- Recess & Outdoor Activities
- Air Quality Emergencies / Public Health Protocols
- Traumatic Bleeding Emergencies with the Go-Kit+ version

Air Quality / Public Health Enhancements: **KN95 face masks** protect in dust and smoke emergencies and help schools address protocols classes may encounter during lock down, evacuations, field trips and fire drills. Certainly contact us with customization needs or questions.

What Customers Are Saying...

- *The supplies support the goals of our emergency preparedness training. (PA)*
- *We require the kits accompany teachers anytime the class is out of the building. (VA)*
- *Our goal is to have one in every classroom. (TX)*
- *The kits exceeded our expectations. (MO)*

The “Go-Kit” Concept is recommended by school safety advocates to support the classroom preparedness phase of an emergency management plan.

See Reverse for kit contents and additional information.

Classroom Go-Kit™ Highlights & Uses

Lockdown Magnet for Door Jamb

Keep doors locked without students being locked out.

*** Powerful * Extremely Durable * Unique**

In a lock-down situation simply remove the magnet and close the door. Don't waste time looking for keys or risk standing in the hallway to lock doors. Works on both metal and wood doors with metal strike plates. Heavy duty, won't wear out.

Conveniently Transportable

Approximately seven pounds, our sturdy, comfortable backpack with adjustable back straps, carry handle and extra front pocket is more convenient and versatile than bucket kits.

Versatile, Expandable & Customizable

Versatile - Items can be used in creative ways to address many emergency needs. For example use Plastic Bags and Duct Tape for

- Emergency Toilet Facilities
- Temporary Privacy Curtains
- Rain Ponchos
- Ground Cover
- Covers for Air Vents / Windows

Expandable & Customizable - Add or remove items or quantities for specific needs. Contact us for details. Orders of 50+ kits, are eligible for school identification on the backpack at no extra charge.

GO-Kit+

Bleed Control Version

Includes Trauma Pack with Tourniquet

It is essential to quickly stop blood loss when waiting for emergency responders or on route to the hospital. Our standard Go-Kit™ includes a first aid kit but is not intended to deal with life-threatening bleeding situations.

The **Go-Kit+**™, in addition to the first aid kit, includes a tourniquet and items for stopping excessive blood flow to enable teachers and bystanders to perform potentially life-saving bleed control for unexpected traumatic injuries and emergencies.

The Trauma Pack is also available to add to previously purchased standard Go-Kits™

Teacher & Student Support

- **Protect Students**
First Aid Kit, Bleed Control Trauma Pack (Go-Kit+ only), Hand Sanitizer. Emergency Water for washing wounds or taking medicine. 12-hour Light Stick for emergency light source. KN95 Face Masks for dust, smoke, and unexpected public health protocols.
- **Protect teachers** with a fluorescent Safety/ Identity Vest, Latex-Free Gloves, Rain Poncho and KN95 Face Mask.
- **Prepare Teachers** with emergency information at the ready by adding the school's emergency plan, student roster with special needs and emergency contact information, and a spare set of car keys if unable to return to the classroom. Additionally, include time-passers for students like cards, crayons, games, etc.
