

Lockdown Magnet

for Door Jamb

**Keep your door locked at all times
without students being locked out.**

- **Powerful Plastic-Covered Block Magnet** (2" x 1" x 1/2")
- **Easily Removed in a Lockdown Situation.**
- **Extremely Durable - Won't Wear Out.**
- **Affordably Priced.**
- **Versatile - Works on Metal Frames and Wood Frames with Metal Strike Plates.**

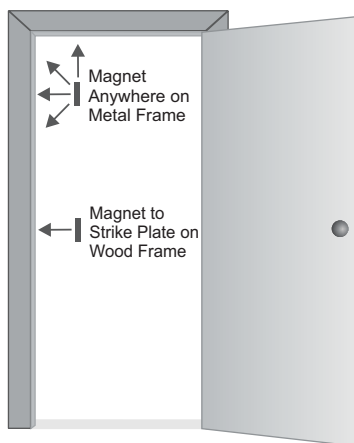

For Metal Door Frames
the magnet can be placed
anywhere on the door jamb.

For Wooden Door Frames
place the magnet over the strike
plate.

After magnet is placed, re-lock
your classroom door.

When the door is closed it will
not latch completely, allowing
access to the classroom while
keeping the door locked at all times.

REMEMBER: In a lockdown situation simply remove the
magnet and close the door. You **DO NOT** want to waste
time looking for your keys to lock your door; nor do you
want to stand in the hallway locking your door.

Prepare Today for Unexpected Emergencies!

In addition to
Lockdown Magnets,
Edu-Care supplies
Go-Kits designed for
emergencies, field trips
and anytime your class
is "on the go."

A Great Project for
PTA/PTO groups and
community service
organizations.
